MURDERER MAKES FIGHT FOR HIS LIFE

Condemned to Die He Takes His Case to Federal Supreme Court.

WHEELING, Dec. 12—Fighting for his life on a technicality, as a drowning man catches at a straw, John Medley, of Mercer county, under sentence of death in the penitentiary at Moundsville, has appealed to the United States supreme court to set aside the verdict and reverse the decision of the supreme court of the state, confirming that verdict.

Medley, who is a negro, shot and killed Neeley Shannon, a white man, at a Fourth of July negro dance at the house of Etta Gore, at Chase's Hill, Mercer county. It was said that the quarrel was over a woman. Medley was tried, convicted of murder in the first degree and sentenced to death in July, 1928. He appealed to the supreme court, which sustained the lower court, and he obtained a stay of execution and ap-

pealed to the highest court in the land, alleging that he was convicted without due process of law.

The grounds of his two appeals were based chiefly on the contention that Mr. Holroyd, one of the jury commissioners, did not take the oath of office and therefore the jury was improperly summoned. The oath of the jury commissioner was on record but did not show that he had been sworn, and the clerk did not remember.

The state of West Virginia will be represented by the attorney general, who has given notice that he will move the dismissal of the appeal because there is no federal question involved. He also filed a brief on the merits of the case.

Medley's case will be handled by Judge Joseph M. Saunders, formerly of the supreme court of appeals. He will oppose the motion to dismiss. Should he win, the supreme court will then consider the case on its merits—whether to send it back for retrial or affirm the judgment of the state courts. Medley's sole hope rests on a re-trial of the case, and the door to that hope is a mere technicality—whether a jury commissioner took his oath or not. At the first trial Medley's attorneys moved to quash the entire panel because of the technical grounds stated above, but the court overruled the motion.

If the United States supreme court decides that a technical irregularity is not sufficient grounds for an appeal, that ends Medley's hope, and he must suffer sentence of death, unless the governor should pardon him.

Question—

Nervous? Excitable?
Irritable? Exhausted?
Backache? Pain?
Has living become a burden?
Do you know what is wrong?
If not, do you want to know what is wrong?

Answer—

Such symptoms, as well as many others equally distressing, are commonly attendant upon functional and organic disease of a distinctly feminine character.

Dr. Pierce's Favorite Prescription

is recommended as a powerful, invigorating tonic, imparting strength to the whole system and to the organs distinctly feminine. For overworked housewives and business women it is a blessing. It induces calm, refreshing sleep, and banishes mental worry and despondency.

This tonic, in liquid form, was devised over 40 years ago for the womanly system, by R. V. Pierce, M. D., and has benefited many thousand women. Now it can also be obtained in tablet form from dealers in medicine, or send 50 one-cent stamps for trial box.

Every woman ought to possess Dr. Pierce's great book, the People's Common Sense Medical Adviser, a magnificent thousand-page illustrated volume. It teaches mothers how to care for their children and themselves. It is the best doctor to have in the house in case of emergency. Over half a million copies were sold at \$1.50 each, but one free copy in cloth covers will be sent on receipt of 31 one-cent stamps to pay the cost of wrapping and mailing only.

This Home-Made Cough Syrup Will Surprise You

Stops Even Whooping Cough Quickly. A Family Supply at Small Cost.

Here is a home-made remedy that takes hold of a cough instantly, and will usually cure the most stubborn case in 24 hours. This recipe makes a pint—enough for a whole family. You couldn't buy as much or as good ready-made cough syrup for \$2.50.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. This keeps perfectly and has a pleasant taste—children like it. Braces up the appetite and is slightly laxative, which helps end a cough.

You probably know the medical value of pine in treating asthma, bronchitis and other throat troubles, sore lungs, etc. There is nothing better. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in guaiacol and all the natural healing pine elements. Other preparations will not work in this formula.

The prompt results from this inexpensive remedy have made friends for it in thousands of homes in the United States and Canada, which explains why the plan has been imitated often, but never successfully.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
